Evolution tactics in the classroom

The critical thinking method

Three critical thinking questions

1. How do you know _____
2. Has it ever _____
3. Are you making any _____

A power question (two key words)

Show me any _____ evidence for evolution that does not require me to use _____ .

Fuzzy words (these words indicate there is no observable evidence)

Magic words

Red flag words

- All
- Everybody
- No real scientist
- I believe
- I think
- Truth
- Fundamentalist
- Intolerant

The fossil record and textbooks

- A critical thinking question

How much of the fossil _____ and how much was _____ by the artist.

- Deception in the textbooks
- Living fossils
- Cambrian explosion
- Fossil graveyards
