

Educating for Success  
by Mike Riddle  
www.CreationTraining.org

Understand the battle

- Evolution is taught as a fact in state schools.
- Universities are intolerant toward Christianity and students are subject to ridicule.

Three biblical warnings

- Colossians 2:8
- Jude 4
- Galatians 2:4

Scripture under attack

- Modernism (evolution)
- Postmodernism (moral relativism)

Establishing a biblical worldview

- Matthew 22:37
- Romans 12:2
- John 17:17

What is Christian education?

- Premise: The goal of Christian education is to glorify God.
- 3 components
  1. Knowledge
  2. Application
  3. Growth
- Result: Character transformation – to be more Christ-like

The education wars – the need for apologetics training

Putting it all together – educating for success

- The Christian teacher's job description (Ephesians 4:11-12)
- The equipping model
- Measuring our success as a teacher
- The 80% goal
- The Timed Check Point (TCP)

How are churches doing in educating their people?

The end result
